Celebrating 20 years of Innovation in 2017

- Customer Testimonial Form

"To create innovative and nutritional product solutions, to enhance the quality of all human life in an ethical and sustainable environment."

Help us celebrate 20 years by sharing your story about how we have helped you or someone you know. Did we make a difference to your day or make things a little easier, or a little more delicious? In the space provided below, please share with us your experience about using our products and services.

You story will be used to generate media interest in Flavour Creations and our product and services. Please provide as much detail as possible. You contact details and response will be treated with confidence. Should you have any questions regarding the information you provide please feel free to contact the Flavour Creations' Marketing department on (07) 3373 3000.
